Dear Mr. Drew Miller,

Subject: Brazil 96

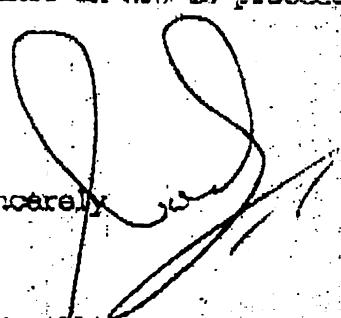

I am in receipt of your fax of 07-June-96 and your quote number 00644. There is no problems with the quote. I forwarded your quote and response to Brazil. Please note the following:

- 1) The Federal Police of Brazil is flexible in the dates of the seminar. They are willing to reschedule at your convenience. They would very much like for you to attend - they especially asked for you.
- 2) The Federal Police of Brazil must sign off for the purchase of the equipment before we can issue the purchase order.
- 3) The monies for this project expires on 30-September-96. Working backwards from that date, with delivery times and transit times, we are in July. That is why we asked for a 31-JULY-96 quote date validity.
- 4) Issuing of the purchase order generally runs up to one month.
- 5) UNIDO, by its governing laws, cannot pay invoices until goods are in receipt of final consignee.

Kindly reply by facsimile at your earliest convenience in how to proceed.

Thank you for your attention.

Sincerely,

M.H. Alli
